Award and Augmentation

The value of a Scholarship award is a fee concession of 5% which parents or legal guardians of the awardee may elect to accept. More than one Scholarship can be awarded to a candidate although the total fee reduction available is limited to 5%. The level of fee concession provided can be augmented by bursary support up to 100% of the boarding or day fees subject to means assessment. To access bursary support a Confidential Statement of Financial Circumstances must be completed and should be submitted to the Bursar before the examination closing date. Completed bursary applications received after the closing date will not be assessed until after the result of a scholarship application is known and any bursary award may not then be offered at the time of joining the School. We are not able to provide an indication of the amount of financial assistance that may be available until the Registration Form has been completed and returned to the Admissions Office, together with payment of the Registration Fee. Bursary application forms are obtainable from The Bursary, Rugby School, 10 Little Church Street, Rugby, CV21 3AW (email funding@rugbyschool.net). Additionally, at the Head Master's discretion, exceptional awards with a fee concession which may be greater than 5% can be made where, during the assessment process, we identify exceptional potential.
