Any authorised public use of School facilities will be limited to ensure that unsupervised access to students is avoided or restricted to the lowest practicable level.

This Code of Conduct applies to all visitors to the School and relevant guidance is printed on visitors' badges and is detailed in the [Safeguarding Information for Visitors](#)

Unknown/Uninvited Visitors to the School

Students should be educated on how to respond if approached by unidentified visitors and should be encouraged to report any unidentified visitor to staff immediately.

Staff should challenge any visitor to the School site who is not wearing a Rugby School lanyard politely to enquire as to who they are and their business on the School site.

An unidentified visitor should then be escorted to School House reception to sign in and be issued with a red visitor's lanyard. The procedures detailed in Appendix 1 will then apply.

In the event that the visitor refuses to comply, they should be asked to leave the site immediately and a member of the Senior Management Team informed.

Staff should not put themselves at risk and should consider contacting security on 104 or 07813 627719.

The SMT member will consider the situation and decide if it is necessary to inform the police.

If an unknown/uninvited visitor becomes abusive or aggressive, they will be asked to leave the site immediately and warned that if they fail to leave the School grounds, police assistance will be called for.

Any member of Staff may call for appropriate support from the emergency services where this is required.

Staff and students should be aware of NaCTSO guidance <https://www.protectuk.police.uk/advice-and-guidance/response/run-hide-tell-school-teaching-guide>

The School's Health & Safety Policy contains the School's procedures in relation to Contractors.

They will be specifically briefed on what areas of the School site they can and cannot access.

6.0 Visitors' Departure from School

On departing the School, visitors (other than parents attending sports matches / performances) must leave via a sign-in point and:

6.1 Sign out on the electronic register

6.2 Return the identification badge

6.3 A member of staff should escort the visitor to the sign-out point and off School site

Visiting Speakers

[The Prevent Duty](#) expects schools to have clear protocols for ensuring that any visiting speakers are appropriately supervised and suitable.

This policy was therefore drawn up having had regard to the Government's Prevent Duty guidance and the School's wider safeguarding obligations.

The School's responsibility to students is to ensure that they can critically assess the information that they receive as to its value, and that such information is aligned to the ethos and values of the School and British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Protocols for arranging visiting speakers.

The responsibility for the following protocols sits with the member of staff who is organising the visiting speaker.

All requests for outside speakers must be made to, and approved by, the Deputy Head (Academic). The Deputy Head (Academic) will notify approval to the member of staff organising the visit and to the Deputy Head (Co-curricular) who will ensure that the appropriate entry is made in the School Calendar.

The School will undertake a review before agreeing to a visiting speaker attending the School. This will consider any vetting requirements deemed appropriate in the circumstances and may include a DBS check if relevant. The School will also conduct research on the visiting speaker and/or their organisation, as appropriate.

The School will not use a visiting speaker where any link is found to extremism, such as extremist groups and movements.

The School will obtain an outline of what the speaker intends to cover in advance of the visit.

In some cases, the School may also request a copy of the visiting speaker's presentation and/or footage in advance of the session to ensure it is appropriate to the age and maturity of the students to be in attendance and does not undermine British values or the ethos and values of the School.

The member of staff organising the visiting speaker will complete the required information contained within the [Visiting Speakers Risk Assessment Form](#) (below, 1) highlighting the background checks that have been carried out.

The member of staff organising the visit will also obtain a signed [Agreement and Guidelines for Visiting Speakers](#) (below, 2) and will send out the [Safeguarding Information for Visitors](#) prior to their visit.

Although not always possible, it is useful to invite speakers from an established company, charity or other group whose aims are well-documented.

The Deputy Head (Academic) will keep a formal register of all visiting speakers.

Any unsupervised access to students will be highlighted to the Deputy Head (Co-Curricular) and the Head of Safeguarding who will ensure relevant safeguards are implemented before the visiting speaker attends the School.

Any information gathered will be kept in accordance with the School's Privacy Notice.

RUGBY SCHOOL

All visiting speakers should be met on site, by the organising member of staff at a sign-in point where they will be required to show an original current identification document including a photograph and be asked to sign in electronically. Protocols for Visitors, as detailed on pages 3-5 above, should be followed.

The visiting speaker will be issued with a visitors' badge which they must wear at all times whilst on school site, in line with the [Safeguarding Information for Visitors](#).

Visiting speakers may also be briefed on the School's Safeguarding & Child Protection Policy and relevant Health and Safety information.

Visiting speakers will be supervised by a School employee whilst on site.

At no point will a visiting speaker be left unsupervised whilst students are present.

A member of School staff will be present during the visit/talk, who will monitor what is being said to ensure that it aligns with the values and ethos of the School and British values.

In the unlikely event that the talk/presentation does not meet this requirement, visiting speakers will be informed that School staff have the right and responsibility to interrupt and/or stop a presentation. The member of staff will report this to the Head Master or in his absence, the Deputy Head, or Head of Safeguarding as soon as reasonably practicable after the talk/visit.

Should the visiting speaker be addressing students during an online discussion or virtual presentation, this should take place in line with the above protocol and whilst a visitor's badge is not appropriate in this context, the same procedures should be followed, checks completed, and details should be entered into the visiting speakers register. A member of staff should again be present throughout the presentation.

After the visit, the organiser will evaluate the speaker and the speech as to whether the needs of the School were met and, where appropriate, feedback will be sought and provided to the speaker and / or their organisation
